Leadership Changes in SNA

Saturday Night Alive was started over 30 years ago by Darcie and her pastor to provide a safe place for singles to grow in their relationship with God and others. Darcie has been an integral part of the leadership since that time. Over the years, other people have stepped up and helped, even becoming part of a leadership team. Committees have been formed to plan and implement parts of SNA and have given SNA socials, special events, coffee houses, life studies, service projects, etc... In the last six months or so, these committees have been modified for various reasons, and SNA leadership consisting of Darcie, Jeff, Sherri, Laurel, Tom, Kaye, Di, Vicki and Lila have been planning and implementing most of the activities.

When Dennis Franck was here, he met with the leadership and recommended some changes. His recommendation was to put into place an executive team who would oversee the planning teams. This executive team now consists of Darcie, Jackie and Jeff. Under this team, Dennis recommended five or six other teams with directors who would plan and implement specific SNA activities with the directors being accountable to the executive team.

These teams would be organized in the following way: the Social Team which would plan and implement monthly social activities such as mini-golf, hikes, barbecues in the park, bowling, etc... Di and Sherri have volunteered to be co-directors of this team but if anyone is interested in volunteering to be part of this team, please talk to Di or Sherri. The phone numbers for these directors are: Sherri (605)521-8933 and Di (605)391-0525. SNA needs this team to plan about 6-8 of these activities a year. This is a great chance for someone to plan and implement a variety of socials where singles can safely meet to build those relationships with each other and have fun as well.

Another Team would be the Special Events Team. This Team has Kaye as the director and will be responsible to plan and implement the BIGGER events of SNA such as the Christmas Party, Valentine's Banquet, Worship Event, special picnic events, etc... Those of you interested in helping Kaye with the special events, please contact Kaye @ (605)858-4073. What a great opportunity to help organize those special times of the year that we all enjoy so much.

A third team is the Hospitality/Follow-up Team. SNA needs someone who will be in charge of making sure everyone is greeted warmly when they come to an event, introduced to others and informed about future events on the SNA calendar. This team would need to keep the data base updated with current phone numbers, email addresses, etc... SNA is in need of a director for this team as well as team members who will assist in this area of ministry. If interested in putting your organization skills to good use, please contact Darcie, Jackie or Jeff.

Another team is the Community Service/Outreach Team with Craig as the Director. This team would organize about four community service events a year which could include activities such as serving at Cornerstone Mission, helping Habitat for Humanity build, moving items for Love, Inc., etc... Those of you interested in helping Craig organize and implement this type of ministry, please contact Craig @ (605)348-2258 and leave a message if he doesn't answer right away. He will get back to you.

A fourth team needed for SNA is the Life Study Team. Because SNA is a Christian organization, once a month or so, a "Life Study" is needed to help each of us grow in our relationship with God and with others as well. Lila has volunteered to be the Director of this area of ministry and would appreciate anyone who would like to volunteer to help organize and implement these life studies. These could include a video series, speakers, Bible studies, etc... dealing with life issues and areas of our lives that need an infusion of God into it. If interested in helping, please contact Lila at (605)484-1460.

Another area is the Treasurer and isn't really a "team" as such but consists of Laurel as our treasurer. She is responsible for keeping the finances on track, taking offerings, balancing the books, etc... If anyone is interested in working with Laurel, please contact her @ (605) 545-4852.

With these teams in place and tweaked to fit the needs of SNA, more people would be involved in leadership yet there would be clearly defined teams that work together to organize great activities throughout the year. Then all of SNA can grow safely in relationship with God and others.
