More of Our Story/ God's Story

We are so excited to share that we have more God stories to listen to and to bring encouragement. Our God is alive and active and He gets the credit for these amazing stories of His impact on the lives of our speakers. For the months of June, July and August three new stories will be shared. We are so thankful for those in SNA and in the community who are willing to share with us their God story. May these testimonies bring us all hope and joy and increase our trust in Jesus!

June 8, Denver B. will be sharing his God story. Denver has been attending SNA for about a year after moving to SD. He grew up in Tennessee and moved to Texas where he and his wife raised a family. He moved to Missouri after his wife passed away and then moved to SD to be with his daughter and son-in-law. Denver loves Jesus and loves nature and has quite a story to tell about how God has blessed his life.

July 27, our speaker is Jeanne Jacobson. Jeanne worked for the state government for eleven years, was married to a pastor for forty-four years and is now a widow. At forty-nine, Jeanne began experiencing the greatness and mercies of God and testifies it was at this time God began restoring her life. She is a housewife and the mother of four children, two boys and two girls. Jeanne has written a book and will have her book available to purchase.

Catie V. will be our speaker on August 17. Catie has been involved with SNA for awhile now. She has been through so much but keeps smiling and trusting Jesus. Catie's God story has much to encourage us and bring us hope in our trials.

Information Page

SNA Information:

We just wanted to share with our readers regarding the leadership of SNA. Some of our leaders have been involved with SNA since its conception and others have joined more recently. The leadership of SNA are those who are responsible to plan and implement the events of SNA. Some have specific roles and others help out where needed and as they can. The leaders are: Darcie D., Jackie D., Robyn G., Jeff M., Laurel H., Sherri T., Becky A., and Lila S. Denver B. has just recently joined the leadership team and we look forward to his input. The leadership teams' goal is to work together to provide a safe and encouraging place and activities to help singles grow in their relationship with Jesus and their relationships with others. SNA is not a club so does not have dues but will take donations. Donations do not qualify as charitable giving though but are very much appreciated!! SNA also appreciates all those who pitch in and help out when there are activities!! All who are involved with SNA are cherished and valued!!
